NEWS FLASH

Mountain View School

Last Months focus was

"Respectful Relationships"

Students did very well with this. Ask them whose bucket have they filled today.

FYI – This month's focus in our school is to teach, help and encourage our students to be

"Resourceful Thinkers"

Ask your child what this means and what activities they did today to show them what Resourceful Thinking means.

Just a reminder that Student Council is still selling lunch items on Thursdays and they have now added a baggie of candy \$1.00. They are also going to have weekly specials. To know what these specials will be, they will be posted every Monday on the front page news of the website. www.mountainviewschool.ca

Taneal Olsen is coming to school on Fri. Feb. 3 at 11:30 to share her trip to Africa where our Penny Drive Last year helped to build a wing of the school.
